

**You are invited** to take part in our tri annual **TOTAL Evolution of the motorcycle show**. Our club with the help of our generous sponsor, **Total Lubricants** will be displaying about 100 of our member's bikes but we are looking for approx 100 more. These may be heavily modified, hand built, rare or unusual, very large or small. We will also have a 2 day swap meet for "motorcycle only" parts and equipment as well as a "Barn Find" corner. We are featuring a "Hand Built" competition section to highlight the talent that many of our motorcycling friends have. Note, they may be a work in progress. As this is a fund raising project we may not be able to assist directly with transport costs but there will be generous prizes. We will have public liability insurance and an organised security watch. All show bikes are "checked in and out".

All displays are inside and out of the weather. There is on site camping and powered trailer sites with a Saturday night function at the venue. If you have, or know people that have bikes etc that may qualify please contact me.

### Our Goals

To promote our Classic Club and the good side of NZ motorcycling. ----- To provide a venue for fellow motorcyclist to display the bikes and projects they are proud of.-----To encourage the restoration of older bikes for posterity.-----To make a worthy donation to at least two major charities such as Lowe Corporation Rescue Helicopter Trust and Cranford Hospice.-----To provide a family event and target a crowd of 4000 plus.
